HEALTH SYSTEMS INTERNATIONAL HONORED AS A 2009 INDIANA COMPANY TO WATCH

Indianapolis, Indiana, June 23, 2009. HSI has been recognized as one of the 2009 Indiana Companies to Watch, an awards program presented by the Indiana Economic Development Corporation, its Small Business Development Center network, Purdue University, and the Edward Lowe Foundation.

Fifty companies from Indiana will be honored as outstanding second-stage companies during the second annual Indiana Companies to Watch awards program, held on Aug. 27 in Indianapolis. Companies to Watch is an awards program that celebrates Indiana privately held second-stage companies, typically those businesses that are past the startup phase, are considered to be established, and face issues of growth, not survival. Companies honored range from traditional businesses involved in manufacturing, financial services and retail trade to high-tech companies working in the life sciences, information technology, telecommunications, and aerospace industries.

Among the 50 honored companies in 2009 is HSI, a leading provider of outsourced medical cost management solutions. Since 1987, HSI has utilized proprietary technology and experienced staff to deliver medical discount solutions that relieve clients' administrative burdens and achieve the lowest possible cost of medical care.

About Indiana Companies to Watch

Companies to Watch firms must employ between six and 150 full-time equivalent employees, have between \$750,000 and \$100 million in annual revenue or working capital in place, and demonstrate the intent and capacity to grow based on employee or sales growth, exceptional entrepreneurial leadership, sustainable competitive advantage or other notable strengths.

This year more than 500 Indiana companies, representing 59 Indiana counties, were nominated for the Companies to Watch program. The number of applicants was narrowed to 214 businesses, from 50 counties. From that pool, 106 finalists were selected, and 50 companies from 17 counties emerged to become the 2009 Indiana Companies to Watch.
